- Those who are not studying at UEF and cannot join ISYY (for example Karelia students) can join ESN Joensuu by purchasing ESN Card from the ISYY office.

Note: ESN Card holders are not automatically ESN Joensuu/JEIS members (every section has their own card)

JEIS merchandise

You can buy ESN products at the ISYY office:

- Badges 2-3e/each
- Overalls 35e
 - Wearing overalls is a very **big tradition among students in Finland**. They represent you and your fellow students as a collective, especially since every study field has its own overall color and/or design. Badges tell where you have been, who your friends are, what you like etc.
